For your protection, we strongly recommend travel insurance to protect you from cancellation penalties, should you be unable to travel for a covered unforeseen reason, as well as protection for lost baggage and medical emergencies. The policy coverage amounts are determined by the amount of coverage and the age of the passenger. In order for the Insurance Company to waive the pre-existing conditions clause of the policy, insurance must be purchased within fourteen days of deposit. An insurance application will be forwarded to you upon receipt of your initial deposit.
