

MAINE HISTORICAL SOCIETY | The Benefits of Sponsorship

Maine Historical Society provides benefits that not only give your business great recognition throughout the year, but offer fun and festive events for you and your guests. Our Magical History Tour on May 12, 2018, and includes tickets to our celebratory kickoff—Mr. Longfellow’s Cocktail Party on May 11. In the fall, MHS will honor our Maine History Maker with a celebration and ceremony. Donations at the Leader or Partner levels include sponsorship to both events. Donors at the Supporter and Friend levels choose which event they would like to sponsor.
